Occupying the top of the hill, this beautifully appointed villa in the alluring residential gated community of Real del Mar. Built in a Mexican Pacific style with hacienda-like elements inside, this villa is open and wrapped by the ocean and manicured jungle, capturing breathtaking bay views from every angle. The villa is built on three levels with lounging and dining areas, garden and pool. Its location couldn't be better, as it's a short distance to La Cruz, Bucerias and The Marina, all coastal pueblos with plenty of restaurants, shops, galleries, other services and many activities. Perfectly designed as a tropical residence, it is naturally an exceptional entertainment & vacation home.
